BLOCK WATCH NEWSLETTER JANUARY 2016

Welcome to the New Year! We are looking forward to a healthy and prosperous 2016. The Jeffersonton Police Department would like to thank all of our Block Watches for their continued help. Block Watch captains, if you see a need in your area (we sometimes have people who move) for additional people who would like to help as Block Watch Captains, please contact me at the police department. I am encouraging all active block watches that would like to have a meeting this year for new residents or to air concerns to please contact me to set up that meeting. I would also ask each of you to encourage neighborhoods around your area that may not have an organized block watch, to come on board. There are lots of block watch signs in neighborhoods where no block watch exists. Plus, we have new block watch signs that will be going up in active block watch neighborhoods in the future. Together, let's make 2016 the best year of community involvement, being good eyes and ears for the police department. Keep in touch with your neighbors and please call me anytime I can be of help.

Possible Phone Scam

A complaint was received by our department in mid-December about a possible phone scam. A person claiming to be with IDT Inc., representing Pepco is trying to obtain personal information. The person claims that the personal information will be used to have money removed from the resident's utility bills. If you receive a phone call from someone asking for your social security number, date of birth, etc, do not give them any information. If you do fall victim to a scam, contact us immediately.

Have a Great Month!
