BLOCK WATCH NEWSLETTER
JANUARY 2017

It has been my honor and privilege to serve you as the block watch coordinator for the last four years. This will be my last newsletter as coordinator of this program. I will still continue as the Jeffersontown Police Chaplain. Please welcome Officer Felicia Burba as your new block watch coordinator. Officer Burba will serve as the new Community Resource Officer. She has many years of training and experience and will offer the Neighborhood Block Watch program new insight and direction. Congratulations to Officer Burba.

Tom Dillard
Chaplain

Welcome to the New Year! We are looking forward to a healthy and prosperous 2017. The Jeffersontown Police Department would like to thank all of our block watches for their continued help. Most every block watch community has already or soon will be receiving the new Jeffersontown block watch sign in your neighborhood. Block watch captains, if you see a need in your area (sometimes people move) for additional people who would like to help as block watch captains, please contact Officer Burba at the police department. We strongly encourage all active block watches to have a meeting this year for new residents or to air concerns in your neighborhood. Please contact Officer Burba to set up your meeting. We would also encourage neighborhoods in the area that may not have an organized block watch to come on board. Even though your neighborhood may have block watch signs posted, no active block watch may currently exist. These neighborhoods can contact Officer Burba to set up a reorganizational meeting for those neighborhood watches to become active again.

Together, let's make 2017 the best year of community involvement, being good eyes and ears for the police department. Keep in touch with your neighbors and please call our office anytime we can be of help.
